American National Property And Casualty Company dispatches catastrophe claim teams to Midwest

American National Property And Casualty Company will have catastrophe claim teams on the ground to assist policyholders impacted by hail and wind damage in Kansas, Iowa, Nebraska and neighboring Midwest states.

SPRINGFIELD, MO – (August 19, 2011) American National Property And Casualty Company (ANPAC®) will have catastrophe claim teams on the ground to assist policyholders impacted by the recent wind and hail event in Kansas, Iowa, Nebraska and other Midwestern states.

ANPAC encourages those with damage to their property to take the necessary steps to prevent further damage only if it is safe to do so. Unless immediate action is needed to prevent further damage, it is requested that policyholders wait to complete repairs until an inspection of the property can be completed. If emergency repairs are made, the damage should be documented prior to the repair, if possible. All receipts related to repairs should be saved so they can be included in claim reports.

For vehicle damage claims, staff appraisers will be available to assist with vehicle inspections. ANPAC also offers a directory of recommended [Car Care Repair facilities](#). Our claims representatives are able to help policyholders find a nearby shop, and they will then notify the company to be expecting the damaged vehicle. All work at participating repair facilities is guaranteed by ANPAC's [Lifetime Service Guarantee](#). Further information, including local shop locations, can be found at anpac.com.

Policyholders that need to report a claim can contact the ANPAC 24-hour claims hotline at 1.800.333.2860 or report their claim online at www.anpac.com from a computer or mobile device.

As policyholders begin the recovery process, we recommend that they visit the safety section at anpac.com for information on [impact resistant roofing and contractor selection](#).

American National Property And Casualty Company is headquartered in Springfield, Missouri. It is a subsidiary of American National Insurance Company (ANICO) of Galveston, Texas. American National Multiple Line exclusive agents offer a combination of life insurance, annuities, property and casualty insurance for personal lines, agri-business, targeted commercial exposures and other services. Multiple Line agents serve individuals, families and business owners. Go to www.anpac.com for more information.
